Plan to clear housing backlog in Delhi

4155. SHRI RAVI SHANKAR PRASAD:
SHRI B.J. PANDA:

Will the Minister of URBAN DEVELOPMENT be pleased to state:

(a) whether it is a fact that Government propose a big plan to clear all the backlogs in housing in NCT Delhi;

(b) if so, the details thereof;

(c) whether Government propose to acquire and develop land in the outskirts of Delhi to meet the objective; and

(d) if so, the details thereof?

THE MINISTER OF URBAN DEVELOPMENT (SHRI GHULAM NABI AZAD): (a) and (b) In the Draft Master Plan for Delhi (MPD)-2021, prepared by the Delhi Development Authority (DDA), additional requirement of new housing stock has been estimated as 24 lakh dwelling units for the projected additional population up to the year 2021. This includes 4 lakh dwelling units considered as the backlog, as per the census of 2001, comprising one lakh net housing shortage and the remaining for replacement of the dilapidated and kuchcha structures. The total requirement of housing stock is proposed to be met by way of upgradation/densification of the existing housing stock and creation of additional housing in the NCT of Delhi, as also by way of generation of additional housing stock in NCR.
